NOW IN OUR 66TH SEASON

MILWAUKEE RADIO AMATEURS CLUB welcomes all radio amateurs and all persons interested in amateur radio to attend our meetings.

TO ALL MEMBERS OF THE AMERICAN RADIO RELAY LEAGUE we extend a very special invitation - we are the oldest affiliate of your League.

MRAC REGULAR MEETING: 7:30 PM Thursday, October 13, 1983, at the Wauwatosa Savings and Loan Building at 7500 West State Street. Hall is open at 7:00 PM for rag chewing and consultations.

AUCTION! By popular demand, another AUCTION! The inimitable Travis Baird, W9VQD, has agreed to again be our auctioneer. Sale is limited to ham equipment and parts. Mark items to be sold with minimum starting bid and your name. Donations of gear to be sold for the benefit of MRAC are most gratefully acceptable. There is no selling fee. First items to be auctioned will be the surplus of ham gear and books now in the possession of our club. We must clear our warehouses.

NEXT MRAC REGULAR MEETING: Thursday, November 10, 1983. Our guest speaker, Mr. Frank Lorbecki of WISN Radio, who will tell us what it is like to handle a 50,000 watt station.

MRAC CHRISTMAS DINNER PARTY - Thursday, December 8, 1983. Mark your calendar. The big event of our club year.

FCC MATTERS: As of this date their is no action on the 'NO-CODE' Novice license tests will be administered and graded by licensed amateurs.
Rumor has it that on September 22nd the Commission announced an arrangement for amateurs to give the tests for all grades of amateur licenses. This must be distressing to the ARRL as they expected to be named to administer the license examination process. Hope to have more info on this by meeting date.

ALL YOU MRAC MEMBERS who promptly paid your dues, thanks. And to those in arrears, please remit today and help our hard working Treasurer so that he can get on to other matters.

JOIN THE AMERICAN RADIO RELAY LEAGUE. Support ham radio.....the dues.....money well spent to protect our hobby!
